Robbery

Definition

The FBI's Uniform Crime Reporting (UCR) Program defines robbery as the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Overview

- There were an estimated 325,802 robberies nationwide in 2014. The estimated number of robberies decreased 5.6 percent from the 2013 estimate and 11.7 percent from the 2010 estimate. The 2014 estimate was down 22.0 percent from the 2005 estimate.

- The estimated robbery rate of 102.2 per 100,000 inhabitants showed a decrease of 6.3 percent when compared with the 2013 rate. (See Tables 1 and 1A.)

- In 2014, the average dollar value of property stolen per reported robbery was $1,227. Robberies accounted for an estimated $400 million in losses. Banks experienced the highest average dollar loss at $3,816 per offense. (Based on Tables 1 and 23.)

- Among the robberies for which the UCR Program received weapon information in 2014, strong-arm tactics were used in 43.0 percent, firearms in 40.3 percent, and knives or cutting instruments in 7.9 percent. Other dangerous weapons were used in 8.8 percent of robberies in 2014. (Based on Table 19.)

Expanded data

Expanded offense data are the details of the various offenses that the UCR Program collects beyond the count of how many crimes law enforcement agencies report. These details may include the type of weapon used in a crime, type or value of items stolen, and so forth. In addition, expanded data include trends (for example, 2-year comparisons) and rates per 100,000 inhabitants.

Expanded information regarding robbery is available in the following tables:

Trends (2-year): Tables 12, 13, 14, and 15

Rates (per 100,000 inhabitants): Tables 16, 17, 18, and 19

Weapons: Tables 15, 19, and 21

Location Type, average value of items stolen by location per robbery: Table 23

Robbery Table 1, "Robbery, Location, Percent Distribution by Region, 2014"

Robbery Table 2, "Robbery, Location, Percent Distribution by Population Group, 2014"

Robbery Table 3, "Robbery, Types of Weapons Used, Percent Distribution by Region, 2014"
