

## **Data Declaration**

### **Participation Table**

#### **Number of Participating Agencies and Population Covered, by Population Group, 2013**

The FBI collects these data through the Uniform Crime Reporting Program's Hate Crime Statistics Program.

#### **General comment**

This table presents the number of law enforcement agencies participating in the Hate Crime Statistics Program and their jurisdictions' aggregate population for 2013 distributed by population group.

#### **Methodology**

The data used in creating this table were from all law enforcement agencies that submitted either of the following: 1) at least one National Incident-Based Reporting System *Group A Incident Report*, a *Group B Arrest Report*, or a *Zero Report* for at least 1 month of the calendar year; or 2) at least one *Hate Crime Incident Report* and/or a *Quarterly Hate Crime Report*. The published data, therefore, do not necessarily represent reports from each participating agency for all 12 months (or 4 quarters) of the calendar year.

#### **Population estimation**

For the 2013 population estimates used in this table, the FBI computed individual rates of growth from one year to the next for every city/town and county using 2010 decennial population counts and 2011 through 2012 population estimates from the U.S. Census Bureau. Each agency's rates of growth were averaged; that average was then applied and added to its 2012 Census population estimate to derive the agency's 2013 population estimate.
