Participation Table

Number of Participating Agencies and Population Covered, by Population Group, 2013

The FBI collects these data through the Uniform Crime Reporting Program's Hate Crime Statistics Program.

General comment

This table presents the number of law enforcement agencies participating in the Hate Crime Statistics Program and their jurisdictions' aggregate population for 2013 distributed by population group.

Methodology

The data used in creating this table were from all law enforcement agencies that submitted either of the following: 1) at least one National Incident-Based Reporting System *Group A Incident Report*, a *Group B Arrest Report*, or a *Zero Report* for at least 1 month of the calendar year; or 2) at least one *Hate Crime Incident Report* and/or a *Quarterly Hate Crime Report*. The published data, therefore, do not necessarily represent reports from each participating agency for all 12 months (or 4 quarters) of the calendar year.

Population estimation

For the 2013 population estimates used in this table, the FBI computed individual rates of growth from one year to the next for every city/town and county using 2010 decennial population counts and 2011 through 2012 population estimates from the U.S. Census Bureau. Each agency's rates of growth were averaged; that average was then applied and added to its 2012 Census population estimate to derive the agency's 2013 population estimate.
