

Data Declaration

Table 9

Known Offenders, Known Offender's Race, Ethnicity, and Age, 2014

The FBI collects these data through the Uniform Crime Reporting Program's Hate Crime Statistics Program.

General comments

- This table presents the number of known hate crime offenders distributed by the known offenders' race, ethnicity, and age categories.
- The known offenders' ethnicity and age totals are representative of those agencies that provided ethnicity and/or age breakdowns. Not all agencies provide ethnicity and/or age data; therefore, neither the known offenders' ethnicity total nor the known offenders' age total will be equal to the known offenders' race total.

Methodology

The data used in creating this table were from all law enforcement agencies submitting one or more hate crime incidents for at least 1 month of the calendar year. The published data, therefore, do not necessarily represent reports from each participating agency for all 12 months (or 4 quarters) of the calendar year.
