¹The actual number of incidents is 4,926,829. However, the column figures will not add to the total because incidents may include more than one offense type, and each appropriate offense type is counted in this table.

²Victims represents the number of victims associated with each offense type.

³The term Known Offender does not imply the identity of the suspect is known, but only that an attribute of the suspect has been identified, which distinguishes him/her from an unknown offender.

⁴The figures in the column Known Offenders do not include the 1,713,481 incidents with an unknown offender.
