¹The actual number of incidents is 73,080. However, the column figures will not add to the total because incidents may include more than one offense type, and each appropriate offense type is denoted in this table.

²The victim type for all sex offenses is Individual (person).

³The term Known Offender does not imply the identity of the suspect is known, but only that an attribute of the suspect has been identified, which distinguishes him/her from an unknown offender.

⁴The figures in the column Known Offenders do not include the 4,515 incidents with an unknown offender.
