\*Population figures are published only for the cities. The figures below for the metropolitan and college are resident enrollment and were provided by the United States Department of Education for the 2012 school year, the most recent available. The enrollment figures include full-time and part-time students. The human trafficking figures in the pink areas may differ from other FBI UCR Program public areas which also include human trafficking since NIBERS data is continually updated. The publication is based on a snapshot of the 2013 NIBERS dataset as of May 2014. Student enrollment figures were not available.
