[1]Population figures are published only for the cities. The figures listed for the universities and colleges are student enrollment and were provided by the United States Department of Education for the 2013 school year, the most recent available. The enrollment figures include full-time and part-time students.

[2]The FBI UCR Program determined this agency's data were either underreported or overreported. Consequently, the FBI did not publish the data for this offense.

[3]Student enrollment figures were not available.
