Table with columns for Agency Type, Agency Name, Population, and various crime categories including Aggravated Assault, Murder, Sexual Assault, Burglary, and others. Includes sub-sections for Universities and Colleges, State Police, and Other.

Population figures are published only for the state. The figures listed for the universities and colleges are much smaller and were provided by the United States Department of Education for the 2013-2014 school year, the most recent available. The enrollment figures include full-time and part-time students. *Student enrollment figures were available.
