Unknown Time of Day	**23,515**	**18,053**	**95**	**53**	**358**	**4,589**	**367**

[1] In the National Incident-Based Reporting System, an incident may include more than one offense type, and the time of day is collected at the incident level, not for each offense within an incident. Therefore, multiple-offense incidents were counted more than once in order to attribute them to each associated offense category and time frame.
