¹The total number of incidents is 6,572,870. However, the column figures will not add to the total because incidents may include more than one offense type, and one incident was counted for each offense type within each offense category in this table.

²Clearance figures in this table represent the total number of incidents cleared and a breakdown of the clearance method for each offense category.

³In the National Incident-Based Reporting System, the submission of arrestee data in connection with an incident automatically clears all offenses within the incident.
