LEOKA, 2010

Hate Crime Statistics, 2010

Preliminary Semiannual Uniform Crime Report, January–June, 2011

As part of the FBI’s effort to keep state UCR Programs informed about data submission deadlines and UCR publication processes, we have included the following schedule. **In order for the FBI to publish these Uniform Crime Reports on time with complete and accurate statistics, all states must adhere to the scheduled deadlines.**

Many agencies are conscientious about meeting these deadlines; however, agencies that are late with their submissions cause publication delays. The FBI realizes that there are extenuating circumstances that cause an agency to miss a deadline. Nevertheless, the FBI requests that state UCR Program managers encourage the agencies within their state to make every effort to adhere to these deadlines.

1.4 Updates to two UCR documents

To support the FBI's initiative to receive information solely by electronic means by 2013, the FBI has updated the document, *Automated Data Processing Programming Guidelines for State UCR Programs/Direct Contributors*, which is also known as the *ADP Guidelines*. This document provides the requirements for submitting SRS data in an electronic format and is accessible on the FBI's Web site at <www.fbi.gov/about-us/cjis/ucr/additional-ucr-publications/automated-data-processing-programming-guidelines>.

State UCR Programs currently submitting hard copy reports with the intention to convert to an electronic flat file submission should use the *ADP Guidelines*. State UCR Program managers who want an electronic copy of the *ADP Guidelines* should contact their state representative from the CSMU by telephone at (304) 625-4830.

The national UCR Program is developing an extensible markup language (XML) format for those state UCR Programs that intend to submit SRS or NIBRS data in XML. The FBI is in preliminary discussions to develop a Web portal for those law enforcement agencies that are unable to convert to an electronic submission method.

In addition, the FBI's UCR Program has updated the brochure, *Uniform Crime Reporting Statistics: Their Proper Use*. It is available on the FBI's Web site as a Portable Document Format file at <www.fbi.gov/about-us/cjis/ucr/ucr-statistics-their-proper-use>.

Agencies with questions should contact the CSMU by telephone at (304) 625-4830.

1.5 Updates to LEOKA forms

The national UCR Program would like to remind state UCR Programs that the FBI's LEOKA Program has two new forms to collect officer killed and assaulted statistics. The forms are: *Analysis of Officers Accidentally Killed* and *Analysis of Officers Feloniously Killed and Assaulted*. These two forms replace the *Analysis of Law Enforcement Officers Killed and Assaulted*, 8-page questionnaire. The national Program will forward an *Analysis of Officers Feloniously Killed and Assaulted* form to an agency when a NIBRS incident or a monthly Law Enforcement Officers Killed or Assaulted report indicates an officer(s) sustained an injury with a firearm or knife/cutting instrument.

Agencies with questions should contact Ms. Frankie Kelley in the CSMU by telephone at (304) 625-3587.

1.6 Reminder regarding cargo theft

The FBI's UCR Program would like to remind state UCR Programs that the national Program is accepting cargo theft data in both the NIBRS and the SRS. For law enforcement agencies participating in the NIBRS, the *NIBRS Addendum for Submitting Cargo Theft Data* is available online at <www.fbi.gov/about-us/cjis/ucr/nibrs/addendum-for-submitting-cargo-theft-data/nibrs_cargo_theft>. For law enforcement agencies submitting data in the SRS format, agencies may report cargo theft data to the FBI on the *Cargo Theft Incident Report* form, which is available online at <www.fbi.gov/about-us/cjis/ucr/reporting-forms/CargoTheftIncidentReportfillable.pdf>.

Agencies with questions should contact Ms. Kristi Donahue in the CSMU by telephone at (304) 625-3528.

1.7 Information regarding funding opportunities

During a session at the recent Association of State UCR Programs Conference, the FBI was asked to identify federal grant opportunities. The Bureau of Justice Assistance (BJA), a component of the Office of Justice Programs, U.S. Department of Justice, provides funding opportunities to the Nation's law enforcement community. Agencies should reference the BJA's Web site at <<http://www.ojp.usdoj.gov/BJA/funding/index.html>> to obtain information on general funding.

1.8 Electronic availability of the UCR State Program Bulletin

The UCR Program's *UCR State Program Bulletin* is available electronically in Corel WordPerfect and Microsoft Word formats. State UCR Program managers who wish to receive the *UCR State Program Bulletin* via e-mail must provide the FBI's MPG staff with their e-mail addresses at <cjis_comm@leo.gov> and indicate *UCR State Program Bulletin* in the subject line of the e-mail.

Please note that it is the responsibility of the state UCR Program managers to disseminate the information as appropriate to their staffs and local agencies. In order to serve our customers in the best manner possible, the national UCR Program would like to remind state UCR Program managers to keep the MPG informed of any changes in their e-mail addresses.

The current *UCR State Program Bulletin*, as well as previous editions, is also available via the Law Enforcement Online (LEO) Intranet at <https://www.leo.gov/http://leowcs.leopriv.gov/lesig/cjis/programs/crime_statistics/state_program_bulletins/state_program_bulletins.htm>. Users with questions concerning access to the LEO should contact the LEO Program Office by telephone at (304) 625-5555.
